I hereby certify that this correspondence is being facsimile transmitted to: Commissioner for Patents, Attn: Examiner Vaughn, Facsimile No. (703) 872-9306, P.O. Box 1450, Alexandria, VA 22313-1450, on January 30, 2004.

U.S. Application Serial No. 09/447,500

the Applicant created the drawings informally on engineering paper. Specifically, the Applicant created the drawings on "AMPAD" brand paper. Therefore, the Applicant wants confirmation from the Examiner and the Official Draftsperson that such removal of lines and the brand name of "AMPAD" will be acceptable and will not raise any issues.

The attached proposed drawing corrections have been highlighted with dashed circles to indicate what elements of the attached drawings will be removed. On several of the drawings, the brand of "AMPAD" will be removed as highlighted with the dashed circles. Also, drawing sheet numbers that are enclosed with solid circles are proposed to be added to each drawing sheet. The Applicant notes that these sheet numbers will not be placed in the circles for the corrected drawings when they are filed at a later date. Consideration and approval of the attached proposed drawing corrections are respectfully requested.

Up approval of the attached proposed drawing corrections, the Applicant can employ the services of an Official draftsman if required by the Examiner. If the Examiner or Official Draftsperson have any questions regarding the proposed drawing corrections, they are invited to contact the undersigned in the Atlanta Metropolitan Area at (404)572-2884.

Respectfully submitted,
